### **WANTED TECHNICAL CONSULTANTS**

We propose to establish facility to manufacture Traction Motors and Traction Transformers attached to our Transformer Division and Alternator Division. For these two projects, we are in search of Technical Consultants having experience in Design, Manufacturing and Testing of:

#### **1. Traction Motors**

Minimum Qualification: B.Tech in Electrical Engineering

Experience: Minimum 25 years in Design, Manufacturing and Testing of Traction Motors with minimum 4 years experience in each section – Design, Manufacturing and Testing of Traction Motors.

#### **2. Traction Transformers**

Minimum Qualification: B.Tech in Electrical Engineering

Experience: Minimum 25 years in Design, Manufacturing and Testing of Traction Transformers with minimum 4 years experience in each section – Design, Manufacturing and Testing of Traction Transformers.

Retired senior officers ( Department Heads / General Manager level) from reputed companies engaged in the manufacture of Traction Motors and Traction Transformers are preferred.

Interested candidates may apply with documents supporting their qualification and experience **on or before 10.11.2022**. On selection, the candidates shall have to visit our works and Railways offices as and when required for consultation / discussions.

Consultants shall provide all necessary guidance in selection of machinery for Manufacturing and Testing of Traction Motor / Traction Transformer. Respective Consultant shall provide the Design of Traction Motor / Traction Transformer along with manufacturing drawings, Bill of Materials, etc., and other details / documents required to submit to RDSO / Railways. Consultants shall also give Training to our engineers in Designing, Manufacturing and Testing of the respective machine and shall help us in identifying RDSO approved vendors for the raw materials required.

Expected remuneration may also be indicated. Remuneration shall be monthly retainer fee + per day fees during visits to our works / other offices.

The appointment will be for a period of one year and may be extended till completion of the project / RDSO approval.
